Fire up the grill! Father's Day is coming soon.

Picture it now, a beautiful Sunday afternoon with the whole family in the backyard...laughter all around...the smell and sound of chicken on the grill.

Make the meal extra special with flavorful sauces from DiChickO's Peri Peri Supply Co.

We blend Peri Peri chilis imported from Southern Africa with fresh garlic, onion, lemon and a variety of herbs and spices for amazing flavor and just the right amount of heat. You won't believe your taste buds!

And for the vegetarians in your family, these marinades made with clean ingredients work great with tofu and quinoa.
